CENTRAL INTELLIGENCE

National Intelligence Council

2 July 1987

NOTE FOR: DCI
DDCI

FROM: C/NIC

Gentlemen --

This estimate was reviewed by the MAP--and accommodates their recommendation to better highlight projected applications of technologies up front in the Key Judgments. It was also worked in tandem with NIE 11-3/8 to better align their respective treatments of related issues such as directed energy. Per our new procedures, this is being sent to NFIB Principals simultaneous with its being forwarded to you, to be considered at the NFIB currently scheduled for 23 July. We are prepared to discuss prior to NFIB as you desire; NIO/S&T will check with your staff on scheduling a pre-brief prior to the NFIB discussion.
